

# LIVE! LEARN! LOUISIANA!

This summer take advantage of a unique program designed specifically for gifted students. This program will engage your child an in-depth exploration of Louisiana.

Facilitators with training in gifted education will help your child plan, research, and prepare an independent study project using the vast resources of the Louisiana State Museum and the Louisiana State Library. At the end of the two-week experience, your child will produce a culminating project of their choice.

#### **This summer program offers:**

- Low facilitator to child ratio
- Access to authentic and primary resources
- Development of research skills
- Facilitators trained in gifted education
- Challenging material and activities
- Interaction with peers of similar abilities and interests

**When:** July 14-25, 2008

**Time:** 8:30am-11:30am

**Cost:** \$75 per child

#### **Recommended for Grades 3-5**

To maintain a low teacher to student ratio, space is limited. We encourage early registration; once the spaces are filled registration will close.

**For more information and to receive a registration packet contact:**
